About

An experienced change and transformation consultant, managing major change programmes within the ICT and public sector environments, with particular expertise in major combined implementations of business change and digital transformation. Adept at building effective virtual and on-site programme/project teams and capitalising on team members' individual strengths and competencies. Known for implementing industry-standard best practice in project and programme management, using well known methodologies. Key strengths in organization, negotiation, decision making and problem solving, with the interpersonal skills to communicate at all levels of stakeholder from C-level down. Productive under high pressure and thrives in a challenging working environment. Known for problematic programme rescue and redesign.

Experience

Transformation Consultant
Folkestone & Hythe District Council
Mar 2019 – Present · 1 year 6 months
Folkestone
Great to be helping Folkestone & Hythe District Council with their whole council transformation programme.

Consultant Programme Manager responsible for pulling together the different aspects of the 'whole council' change programme. This includes a complete change of the council's operating model and implementation of a new organisation structure to meet the working of the new model. Alongside the new organisation and embedding a revamp of the IT solutions to bring in a Salesforce...

Principle Consultant
Orange Ora Limited
Apr 2018 – Present · 2 years 5 months
South and south east England
Helping several local authorities design and deliver 'whole council' transformation

Working with local authorities and public services to deliver better working models and change IT structures to deliver multi million pound savings without reducing services to the public

Business Transformation Consultant
Tandridge District Council
Apr 2018 – Mar 2019 · 1 year
Oxted, Surrey, United Kingdom
Working with Tandridge District Council designing and implementing their 'Customer First' business and digital change programme. Delivering much needed efficiencies and savings without reducing the services delivered by the council. Key achievements and deliverables of the programme are similar to the Eastleigh programme but consist of:

- Organisation wide operating remodel – Moving a whole organisation from a vertical silo delivery model to a new horizontal resilient model and integration...
