**Managing Director**

Orbital Marketing Services Group Ltd

2001 - Dec 2014 · 13 years

Kent

Masterminded the formation of BP's parent, Orbital Marketing Services Group and took on a second role as its Managing Director. He directed Orbital's diversification, through both acquisitions and organic growth, into a multi-sector multi-skilled communications and specialist logistics group employing over 500 people across nine sites and ten businesses.

He oversaw a partial MBO in 2010 and a subsequent sale of the business to Menzies Distribution, a division of John Menzies plc, in 2012.

**Managing Director**

BP Travel Trade Services Ltd

1972 - 2001 · 29 years

Kent

guided the company to a market leading position in travel brochure distribution, the development of a broad range of travel trade and consumer marketing services, its move from three sites in Folkestone to custom-built 100,000sq ft premises in Ashford (Kent) and the acquisition of several subsidiaries.
