About

I have over 35 years' experience of working within building services environment in both private and public sectors. I have taken up various roles in residential, commercial properties and leisure centres. Possesses strong knowledge and understanding of building Surveying, Validation and Contract management. I am experienced in working on Building Management with a good understanding of Health and Safety routine and maintenance.

I have the ability to work with relevant stakeholders to develop strategies and implement progressive plans that support the maintenance and management of buildings.

I have good interpersonal, communication and negotiation skills to provide effective customer service and guarantee customer satisfaction. Possesses strong organisational skills to prioritise workload and meet strict deadlines.

Experience

Surveyor

Folkestone & Hythe District Council · Contract

Feb 2018 - Present · 8 yrs 1 mo

Dover, England, United Kingdom

I have engaged in constructing robust planned programs from data held on Strategic Asset Management system. Coordinated with contractors to monitor and inspect planned and cyclical works to ensure they meet the required standard.

My accomplishments

- Improved quality and efficiency of the Kitchen and Bathroom refurbishment programme
- Increased KPI's success rate in excess of 90%
- Maintained the quality of properties
- Guaranteed health and safety of residents
- Strengthened customer satisfaction
