 - (iii) immediately to provide (or cause to be immediately provided) to the Security Agent a copy of any report, accounts, circular, notice and any other document sent or provided to it (or its nominee) in its capacity as the registered holder or beneficial owner of the Securities (other than of a routine and non-material nature).
- (b) Until the Security created by this Deed becomes enforceable, each Chargor shall be entitled to:
 - (i) exercise or direct the voting rights and other rights in respect of the Securities registered in its name, save that each Chargor undertakes that it will not exercise such rights in a manner inconsistent with the terms of the Finance Documents or which would otherwise have an adverse effect on the value of the Securities or interests of the Finance Parties or the Security created by this Deed; and

- (ii) (save as otherwise provided in the Facility Agreement) receive and retain all dividends, distributions and other amounts paid on or derived from any Securities.
- (c) Upon the Security created by this Deed becoming enforceable, the Security Agent shall be entitled to:
 - (i) complete all instruments of transfer referred to in clause 5.5(a)(ii) above and otherwise have any Securities registered in its name or the name of its nominee;
 - (ii) receive and retain all dividends, distributions and other amounts paid on or derived from any Securities and, to the extent such dividends, distributions and/or other amounts are received by or on behalf of each Chargor, such amounts shall be held on trust for the Security Agent and shall immediately be paid into an account designated by the Security Agent; and
 - (iii) in the name of each Chargor, exercise or direct the exercise of the voting rights and other rights and powers attached to any Securities in such manner as it considers fit (including all powers given to trustees under Part II of the Trustee Act 2000) provided that nothing contained in this clause 5.5 shall in any manner whatsoever restrict the Security Agent or any nominee for the time being of the Security Agent from exercising any such rights and powers in such manner as it shall in its absolute discretion determine where such rights and powers are being exercised for the purposes of preserving the value of or realising the whole or any part of the Security.

5.6 Intellectual Property

Each Chargor shall:

- (a) if requested by the Security Agent at any time, register the interest of the Security Agent in all or any part of any Intellectual Property;
- (b) if requested by the Security Agent at any time, execute all such documents and do all such acts as the Security Agent may reasonably require to record the interest of the Security Agent in any registers relating to any Intellectual Property;
- (c) preserve, maintain and renew as and when necessary all Intellectual Property required by that Chargor for carrying on its business; and
- (d) promptly notify the Security Agent of any infringements of the Intellectual Property and take all steps as may be necessary to prevent such infringement and/or to recover damages in respect thereof.

5.7 Finance Documents

Until the Security created by this Deed becomes enforceable, any payments received by each Chargor under or in respect of the Finance Documents shall be applied in accordance with the terms of the Finance Documents and until so applied each Chargor shall hold all such amounts on trust for the Security Agent.

5.8 Insurance

Each Chargor must ensure compliance with the obligations in relation to insurance contained in the Facility Agreement in relation to the Charged Property.

5.9 Payment obligations

Each Chargor shall punctually pay and indemnify each Secured Party against all existing and future rent, rates, taxes, duties, charges, assessments, impositions and outgoings now or at any time payable in respect of the Charged Property or by any owner or occupier of the Charged Property.

5.10 Information

Each Chargor shall produce to the Security Agent such documents or information relating to the Charged Property as the Security Agent (acting reasonably) may from time to time request and shall promptly deliver to the Security Agent a copy of any notice or proceedings served by any person on that Chargor concerning the Charged Property or alleging any breach of its obligations relating to the Charged Property.

6 Representations and warranties

Each Chargor, to the extent relevant to it, makes the representations and warranties set out in this clause 6 to each Finance Party on the date of this Deed and in accordance with clause 6.4.

6.1 Charged Property

It has good title to and is the sole legal and beneficial owner of the Charged Property free from any Security (other than under the Finance Documents), it is lawfully entitled (with full power under its constitutional documents) to create Security over the Charged Property in favour of the Security Agent and has not sold, transferred or otherwise disposed of the benefit of or agreed to sell, transfer or otherwise dispose of the benefit of its (or any part of its) rights, title and interest in and to the Charged Property.

6.2 Nature of Security

This Deed creates those security interests it purports to create and is not liable to be avoided or otherwise set aside on the liquidation or administration of any Chargor or otherwise.

6.3 Intellectual Property

- (a) It is the sole legal and beneficial owner of all Intellectual Property necessary for it to carry on its business free from all Security (except as created by the terms of the Finance Documents), options and other rights in favour of third parties.
- (b) It is not aware of any infringement or threatened infringement of its Intellectual Property.

6.4 Repetition

The representations and warranties are deemed to be repeated by each Chargor, by reference to the facts and circumstances then existing, on the date of the Utilisation Request, on the Utilisation Date and on each Interest Payment Date.

7 Enforcement of security

7.1 Enforcement

All rights of the Security Agent and any Receiver under and in respect of this clause 7 and clause 8 (Receivers and Administrators) (including, without limitation, the power of sale and other rights, powers and protections conferred by section 101 of the Act as varied or extended by this Deed) shall become immediately exercisable and the Security created by this Deed shall become immediately enforceable:

- (a) upon the occurrence of an Event of Default that is continuing;
- (b) if a resolution is passed or a petition is presented for the winding up, dissolution, administration or re-organisation of any Chargor;
- (c) if a receiver, an administrative receiver or a receiver and manager is appointed over the Charged Property or, if any person entitled to do so, gives notice of its intention to appoint a receiver, an administrative receiver or a receiver and manager or files such a notice with the court;
- (d) if an Administrator is appointed in respect of any Chargor or the Security Agent receives notice of an intention to appoint an Administrator pursuant to paragraphs 15 or 26 of Schedule B1 of the Insolvency Act 1986 in respect of any Chargor; or
- (e) upon any request by a Chargor for such exercise or enforcement.

7.2 General

- (a) For the purposes of all powers implied by statute (including, without limitation, the Act), the Secured Liabilities are deemed to have become due and payable on the date of this Deed.
- (b) Sections 93 (restricting the right of consolidation) and 103 of the Act (restricting the power of sale) shall not apply to this Deed.

- (c) Neither the Security Agent nor any Receiver will be liable, by reason of entering into possession of the Charged Property, to account as mortgagee or heritable creditor (as applicable) in possession or for any loss on realisation or for any default or omission for which a mortgagee or heritable creditor in possession might be liable.
- (d) Each Chargor shall provide the Security Agent and/or any Receiver and their respective representatives all assistance requested by such party to enforce all or any rights in or in respect of the Charged Property.

7.3 Prior charges

The Security Agent may at any time after this Deed has become enforceable redeem any prior mortgage, charge or other Security over all or any of the Charged Property or procure the transfer thereof to itself and may settle and pass the accounts of the prior mortgagee, chargee or security holder. Any accounts so settled and passed shall (save in respect of any manifest error) be conclusive and binding on the relevant Chargor. All principal moneys, interest, costs, charges and expenses of and incidental to the redemption and transfer shall be Secured Liabilities payable by the relevant Chargor to the Security Agent on demand.

7.4 Right of appropriation

To the extent that any of the Charged Property constitutes "financial collateral" and this Deed and the obligations of any Chargor hereunder constitute a "security financial collateral arrangement" (in each case as defined in, and for the purposes, of the Financial Collateral Arrangements (No. 2) Regulations 2003 (SI 2003 No 3226) (**Regulations**)) the Security Agent shall have the right, at any time after this Deed has become enforceable, to appropriate all or any part of such financial collateral in or towards payment and/or discharge of the Secured Liabilities in such order as the Security Agent in its absolute discretion may from time to time determine. For this purpose, the Parties agree that the value of such financial collateral so appropriated shall be (a) in the case of cash, the amount standing to the credit of each of the Accounts, together with any accrued but unposted interest, at the time the right of appropriation is exercised; and (b) in the case of Securities, the market price of such Securities at the time the right of appropriation is exercised determined by the Security Agent by reference to any recognised market index or by such other process as the Security Agent may select, including, without limitation, independent valuation. In each case, the Parties agree that the method of valuation provided for in this clause 7.4 shall constitute a commercially reasonable method of valuation for the purposes of the Regulations.

8 Receivers and Administrators

8.1 Appointment of Receivers and Administrators

- (a) At any time after the Security created by this Deed becomes enforceable in accordance with clause 7.1 (Enforcement), the Security Agent may from time to time without prior notice to any Chargor by writing under the hand of any officer of the Security Agent appoint:

- (i) any person (whether or not an employee of the Security Agent) to be a Receiver of the Charged Property (and none of the restrictions imposed by the Act in relation to the appointment of a Receiver or to the giving of notice or otherwise shall apply); or
 - (ii) when permitted by law, an Administrator of any Chargor under paragraph 14 of Schedule B1 of the Insolvency Act 1986.
- (b) An appointment over part only of the Charged Property shall not preclude the Security Agent from making any subsequent appointment of a Receiver over any other part of the Charged Property.
- (c) If at any time and by virtue of any appointment under this clause 8.1 any two or more persons shall hold office as a Receiver, each such person shall be jointly or severally entitled (unless the contrary shall be stated in any of the deed(s) or other instrument(s) appointing them) to exercise all the powers and discretions conferred by this Deed on a Receiver individually and to the exclusion of the other or others of them.

8.2 Removal

The Security Agent may by writing under its hand (subject to any requirement for an order of the court in the case of an administrative receiver) remove any Receiver appointed by it and may, whenever it thinks fit, appoint a new Receiver in the place of such Receiver.

8.3 Remuneration

The Security Agent may either at the time of appointment of any Receiver or at any time thereafter and from time to time fix the remuneration of such Receiver and the maximum rate specified in section 109(6) of the Act will not apply.

8.4 Receiver as agent

- (a) Any Receiver so appointed shall so far as the law permits be the agent of each Chargor for all purposes, and each Chargor shall be solely responsible for such Receiver's acts, omissions, defaults, losses, liabilities, remuneration, costs, charges and expenses and liable on any contracts or engagements made or entered into by such Receiver, failing which he shall act as principal and shall not be or become agent for the Security Agent.
- (b) No Secured Party will incur any liability (either to a Chargor or to any other person) by reason of the appointment of a Receiver or for any other reason.

8.5 Exercise of Receiver powers by Security Agent

To the fullest extent allowed by law, any right, power or discretion conferred by this Deed (either expressly or impliedly) or by law on a Receiver may (after the Security created by this

Deed becomes enforceable) be exercised by the Security Agent in relation to the Charged Property without appointing a Receiver and notwithstanding the appointment of a Receiver.

8.6 Powers of Receiver

Any Receiver so appointed shall have power, whether immediately or at any later time, in addition to any powers conferred upon it by statute or common law:

- (a) to enter upon, take possession of, appropriate, collect and get in the Charged Property and for that purpose to take any proceedings in the name of any Chargor or otherwise;
- (b) to manage or carry on or concur in carrying on the business of any Chargor or any part thereof as he may think fit;
- (c) to effect and maintain insurances in respect of the business and property of any Chargor;
- (d) to commence and/or complete any repairs, improvements and building operations on the Charged Property and to apply for and obtain any planning permissions, building regulation approvals and any other permissions, consents or licences in each case as he may think fit;
- (e) to proceed to completion of the Finance Documents and satisfy the obligations and liabilities of any Chargor under the Finance Documents insofar as it is able;
- (f) to raise or borrow money from any person (including, without limitation, the Security Agent) to rank for payment in priority to this Security or otherwise and with or without a charge on the Charged Property;
- (g) to sell, transfer, assign, exchange, hire out, lend or otherwise dispose of, convert into money, deal with or realise the Charged Property (whether by public auction or private contract or otherwise) on such terms and for such consideration (including a consideration consisting wholly or partly of shares or securities of any other company) payable at such time or times as he may think fit (and any consideration other than cash shall on receipt be and become charged with the payment and discharge of all Secured Liabilities) in the name of and on behalf of any Chargor and generally exercise all the powers and rights of an absolute owner of the Charged Property and do or omit to do anything which a Chargor could do or omit to do;
- (h) to sever from the premises to which they are annexed and sell separately any plant, machinery and other fixtures;
- (i) to lease or license any of the Charged Property or vary, surrender or renounce leases or licenses or accept surrenders or renunciations of leases or licenses of the Charged Property in each case on such terms and conditions and for such rent or fee payable at such time or times as he may think fit;

- (j) to settle, arrange, compromise and submit to arbitration any accounts, claims, questions, disputes or demands whatsoever which may arise in connection with the business of any Chargor or the Charged Property or in any way relating to this Security and to bring, prosecute, enforce, take, defend, compromise, submit to arbitration and discontinue any actions, suits or proceedings whatsoever whether civil or criminal in relation to the matters aforesaid, to disclaim, abandon or disregard all or any of the outstanding contracts of any Chargor and to allow time for payment of any debts, either with or without Security;
- (k) to give valid receipts for all moneys and execute all documents, assurances and things which may be necessary or desirable for realising the Charged Property;
- (l) to make calls, conditionally or unconditionally, on the members of any Chargor in respect of its uncalled capital with the same powers for the purpose of enforcing payment of any calls so made as are by the articles of association of that Chargor conferred upon the directors thereof in respect of calls authorised to be made by them and in the names of the directors or in that of the relevant Chargor or otherwise and to the exclusion of the directors' powers in that regard;
- (m) to establish Subsidiaries and to transfer to Subsidiaries of any Chargor the whole or any part of the business and property of a Chargor;
- (n) to lend money or advance credit to any customer of any Chargor, enter into bonds, covenants, undertakings, commitments, guarantees, indemnities or like matters and to make all requisite payments to effect, maintain or satisfy the same;
- (o) to appoint managers, officers, employees, contractors, workmen, agents and advisers for any of the aforesaid purposes upon such terms as to remuneration or otherwise as he may determine and to discharge any person appointed by any Chargor;
- (p) to do all such other acts and things as he may consider necessary or desirable in his absolute discretion for the realisation of any of the Charged Property or incidental or conducive to any of the rights, powers or discretions conferred on a Receiver under or by virtue of this Deed or law;
- (q) generally to exercise all or any of the powers set out in the Insolvency Act 1986 over such part of the Charged Property over which he shall have been appointed (whether or not he is an administrative receiver); and
- (r) generally to use the name of any Chargor in the exercise of all or any of the powers conferred by this clause 8.6,

provided that any Receiver shall in the exercise of his powers, authority and discretions conform to any directions from time to time given and made by the Security Agent and shall not be responsible nor shall the Security Agent or any Finance Party be responsible for any loss thereby occasioned.

8.7 Application of proceeds

All moneys received by the Security Agent or any Receiver after the Security created by this Deed becomes enforceable shall be applied (subject to any liabilities having priority to the Secured Liabilities) in the following order:

- (a) in or toward payment of the costs, losses, liabilities, charges and expenses incurred in connection with this Deed by the Security Agent or any Receiver and the exercise of all or any of such party's powers and of all outgoings paid by such party (including preferential debts) and in payment to any Receiver of such remuneration as may be agreed between such Receiver and the Security Agent at or at any time and from time to time after the Receiver's appointment in accordance with the terms of this Deed;
- (b) in or towards satisfaction of the Secured Liabilities in accordance with the Facility Agreement; and
- (c) in payment of the surplus (if any) to any Chargor or any other person entitled to it.

This clause 8.7 does not prejudice the right of any Finance Party to recover any shortfall from any Chargor.

8.8 Statutory powers

The powers conferred on mortgagees or receivers by the Act shall apply to any Receiver appointed under this Deed as if such powers were incorporated into this Deed except in so far as they are expressly or impliedly excluded and, where there is any ambiguity or conflict between the powers contained in the Act and those contained in this Deed, the terms of this Deed shall prevail.

9 Protection of third parties

9.1 Deemed right to enforce

In favour of any purchaser (as defined in section 205 of the Act) or person dealing in good faith, the Secured Liabilities shall be deemed to become due and all rights of enforcement conferred upon the Security Agent by the Act, as varied and extended by this Deed, shall be deemed to arise, immediately after the execution of this Deed.

9.2 No enquiry required

No purchaser, mortgagor, mortgagee or other person dealing with the Security Agent or a Receiver shall be bound or concerned to enquire whether any power exercised or purported to be exercised under this Deed becomes exercisable or whether any money is due on the Security created by this Deed or as to the propriety or regularity of any sale by or other dealing with the Security Agent or such Receiver or be concerned with notice to the contrary. Any such sale or dealing shall be deemed to be within the powers conferred by this Deed and to be valid and effective accordingly.

10 Further assurance

Each Chargor undertakes to the Security Agent that it shall, at its own expense, at any time on written demand by the Security Agent or any Receiver:

- (a) take whatever action the Security Agent or any Receiver may require for creating, perfecting, protecting or maintaining all or any of the Security created or intended to be created by or under this Deed or any other Finance Document;
- (b) affix to such items of the Charged Property or indorse or cause to be indorsed thereon as the Security Agent shall stipulate such labels, signs, memoranda or other recognisable identification markings as the Security Agent shall require referring or drawing attention to the Security created by or under this Deed; and
- (c) facilitate the realisation of any Charged Property, or the exercise of any right, power or discretion exercisable, by the Security Agent or any Receiver in respect of any Charged Property,

including, without limitation, the execution of any transfer, conveyance, assignment or assignation of any property to the Security Agent or its nominee and the giving of any notice, order or direction and the making of any registration, in each case which the Security Agent considers expedient.

11 Power of Attorney and delegation

11.1 Power of Attorney

Each Chargor irrevocably and by way of security appoints the Security Agent and any Receiver and any Delegate acting jointly and also severally as attorney of such Chargor for such Chargor and in its name and on its behalf and as its act and deed to execute, seal and deliver and otherwise perfect and do any deed, assurance, agreement, instrument, act or thing which such Chargor is obliged to execute and do under this Deed or in the Facility Agreement, including without limitation, under clause 10 (Further assurance). Each Chargor undertakes to ratify and confirm whatever any attorney appointed under this clause 11 does or purports to do under this clause 11.

11.2 Delegation

The Security Agent or any Receiver may delegate by power of attorney or in any other manner to any person any right, power or discretion exercisable by it under this Deed upon any terms (including power to sub-delegate) which the Security Agent or any Receiver may think fit. Neither the Security Agent nor any Receiver will be in any way liable or responsible to a Chargor for any loss or liability arising from any act, default, omission or misconduct on the part of any Delegate.

12 New account

If any Secured Party receives or is deemed to be affected by actual or constructive notice of any subsequent mortgage, charge, assignment or other disposition affecting the Charged Property, such Secured Party may open a new account for any Chargor. If a Secured Party does not open a new account then, unless it gives express written notice to the contrary to that Chargor, it shall nevertheless be treated as if it had done so at the time when it received any such notice. As from that time all payments made by or on behalf of that Chargor shall be credited or be treated as having been credited to the new account and shall not operate to reduce the Secured Liabilities.

13 Preservation of security

13.1 Continuing security

The Security constituted by this Deed shall be a continuing security and will extend to the ultimate balance of the Secured Liabilities regardless of any intermediate payment or satisfaction of the whole or any part of the Secured Liabilities.

13.2 Reinstatement and avoidance of payments

- (a) Any settlement or discharge between any Secured Party and a Chargor in respect of the Secured Liabilities shall be conditional upon no Security of, or payment to, such Secured Party (whether by a Chargor or otherwise) being avoided or reduced or required to be paid away by virtue of any requirement (whether or not having the force of law) or enactment, whether relating to bankruptcy, insolvency, liquidation, administration or otherwise, at any time in force or by virtue of any obligation to give effect to any preference or priority.
- (b) If any settlement or discharge is so avoided or reduced, the liability of a Chargor under this Deed shall continue as if the settlement or the discharge had not occurred and any Secured Party shall be so entitled to recover the value or amount of any such Security or payment from a Chargor as if such settlement or discharge had not occurred.
- (c) Each Secured Party may concede or compromise any claim that any payment, Security or other disposition is liable to avoidance or restoration.

13.3 Appropriations

Each Secured Party (or any trustee or agent on its behalf) may at any time during the Security Period:

- (a) refrain from applying or enforcing any other moneys, Security or rights held or received by it (or any trustee or agent on its behalf) in respect of the Secured Liabilities, or apply and enforce the same in such manner and order as it sees fit (whether against those amounts or otherwise) and no Chargor shall be entitled to the benefit of the same; and

- (b) hold in an interest bearing suspense account any moneys received from a Chargor or on account of the Secured Liabilities.

13.4 Additional security

The Security created by this Deed is in addition to and is not in any way prejudiced by any other Security now or in the future held by any Secured Party for any of the Secured Liabilities.

14 General

14.1 Notices

Any demand or notice by the Security Agent under this Deed shall be made or given in accordance with the provisions of the Facility Agreement.

14.2 Costs and expenses

All costs, charges and expenses (including, without limitation, legal fees) incurred by any Secured Party in the creation or discharge of or otherwise in connection with this Deed (including, without limitation, the remuneration of any Receiver) or in respect of the Charged Property and all costs (including, without limitation, legal fees) of any Secured Party of all proceedings for the preservation or enforcement (or attempted preservation or enforcement) of this Security or for obtaining or attempting to obtain payment of any Secured Liabilities shall be recoverable on a full indemnity basis as a debt due from a Chargor and shall form part of the Secured Liabilities.

14.3 Partial invalidity

If, at any time, any provision of this Deed is or becomes illegal, invalid or unenforceable in any respect under any law of any jurisdiction, neither the legality, validity or enforceability of the remaining provisions nor the legality, validity or enforceability of such provision under the law of any other jurisdiction will in any way be affected or impaired.

14.4 Remedies and waivers

No failure to exercise, nor any delay in exercising, on the part of the Security Agent or any Receiver, any right or remedy under this Deed shall operate as a waiver, nor shall any single or partial exercise of any right or remedy prevent any further or other exercise or the exercise of any other right or remedy. The rights and remedies provided in this Deed are cumulative and not exclusive of any rights or remedies provided by law.

14.5 Counterparts

This Deed may be executed in any number of counterparts, and this has the same effect as if the signatures on the counterparts were on a single copy of this Deed.

14.6 Third party rights

Unless expressly provided to the contrary in this Deed, a person who is not a party to this Deed (other than the Finance Parties and their permitted successors and assignees) has no right under the Contracts (Rights of Third Parties) Act 1999 to enforce or to enjoy the benefit of any term of this Deed.

14.7 Deed

It is intended that this Deed takes effect as a deed notwithstanding the fact that a Party may only execute it under hand.

15 Governing law

This Deed and any non-contractual obligations arising out of or in connection with it are governed by English law.

16 Jurisdiction and enforcement

16.1 The courts of England have exclusive jurisdiction to settle any dispute arising out of or in connection with this Deed (including a dispute regarding the existence, validity or termination of this Deed or any non-contractual obligations arising out of or in connection with it) (**Dispute**).

16.2 The Parties agree that the courts of England are the most appropriate and convenient courts to settle Disputes and accordingly no Party will argue to the contrary.

16.3 This clause 16 is for the benefit of the Finance Parties only. As a result, no Secured Party shall be prevented from taking proceedings relating to a Dispute in any other courts with jurisdiction. To the extent allowed by law, the Finance Parties may take concurrent proceedings in any number of jurisdictions.

In witness whereof this Deed has been duly executed as a deed by each Chargor and is intended to be and is delivered on the date first above written.
