

Strategic Environmental Assessment Scoping Report Consultation

7th September 2026

Shaping our future, **together**

1 Introduction

If you have any comments on the Strategic Environmental Assessment (SEA) Scoping Report, please use this form to do so.

The council would be particular interested in any comments relating to the following:

- Whether the scope of the SEA is appropriate as set out considering the role of the new Folkestone and Hythe Local Plan to help meet and manage Folkestone and Hythe district's needs.
- Whether there are any additional plans, policies or programmes that are relevant to the SEA that should be included (please see Chapter 2).
- Whether the baseline information provided is robust and comprehensive and provides a suitable baseline for the SEA of the new Local Plan (please see Chapter 3).
- Whether there are any additional key sustainability issues relevant to the new Local Plan that should be included (please see Chapter 4).
- Whether the SEA framework is appropriate and includes a suitable set of SEA objectives for assessing the effects of the options included within the new Local Plan as well as reasonable alternatives (please see Chapter 5).

1. Comments

Please use this space to put any comments you have relating to the SEA Scoping Report.

Representations received may be published by the Council, with personal information handled in accordance with the Council's data protection obligations.

Please use the space below for any additional comments.
